Lakeview RFP / Phase 2: "Beyond the Lot Next Door Program"

If a property appraisal value has no "With House" indication next to it, the property is being sold as a lot where the slab and/or house is being demolished. The "Interested Parties" column merely reflects the number of people who have expressed an interest in that property. This does not necessarily reflect the number of formal offers that have or will be placed on a particular lot. Likewise, "ADJ" means an adjacent property owner has simply expressed an interest in the property.
