

# Attention Residents

FEMA has not extended reimbursement of curbside storm debris pick up. Therefore, any owner of a small business or residential property being gutted, repaired or constructed by private contractors or residents shall be responsible for the removal and proper disposal of all storm damaged bulky waste and construction and reconstruction debris generated from such work. No such waste or debris shall be placed curbside for collection by the City's solid waste contractors, or placed on the neutral grounds or private property in accordance with Sec. 138-45 City Code.

The Elysian Field Citizen Drop Off Site (2829 Elysian Fields Ave.) will remain open for receipt of waste and debris from residents only (no contractors) until September 30, 2007. After September 30<sup>th</sup>, residents may use for a fee the Gentilly C&D Landfill for construction debris located in N.O. East or River Birch Landfill for other solid waste and garbage located in Avondale on west bank of Jefferson Parish.

**EFFECTIVE IMMEDIATELY**, the City will begin Enforcement Action, including fines for those residents and contractors that do not comply.
